

Victory Nickel Granted Extension for Delisting Review by the TSX

Toronto, October 2, 2015 – Victory Nickel Inc. (“**Victory Nickel**” or the “**Company**”) (TSX:NI, www.victorynickel.ca) today announced that it has received a letter from the Toronto Stock Exchange (the “TSX”) advising that the Company has been granted an extension of its delisting review (see news release dated August 5, 2015). The Continued Listing Committee of the TSX has deferred its delisting decision, previously scheduled for October 5, 2015, until no later than December 4, 2015. By that date the Company is required to comply with all requirements for continued listing.

It is the intent of the Company to maintain a public listing for the Company’s shares. In addition to working with the TSX during this period, management is evaluating alternative listing options. There can be no assurance that the Company will be able to achieve compliance with the TSX’s listing requirements within the required time frame or that it will secure an alternative listing.

In July the Company announced it was unable to make the payments that had come due on its Securities Purchase and Line of Credit agreement (the “SPA Loan”) and on approximately US\$6 million of Promissory Convertible Notes. The Company continues in advanced discussions with its lenders and other potential financiers to restructure the Company’s debt and to recapitalize the Company, however to date the Company has not completed any debt restructuring. There can be no assurance that the Company will be able to restructure its debt and/or recapitalize and there is no certainty as to what steps the lenders may take in light of these defaults.
